The Story

In Fall of 2015, Alexis Hionis approached a group of close friends with an idea: make the most of her family's event venue to throw an upscale fundraiser - each year partnering with a different local charity of choice. The idea took, and Beach Ball was born. Our inaugural Beach Ball proved to be a great success raising almost \$12,000 for the Children's Hospital of the King's Daughters. Since 2016, Beach Ball has raised almost \$115,000 for local charities!

Last year's Beach Ball not only marked our highest attendance and fundraiser yet, but also the first complete year of Alexis's own nonprofit, riseVB. riseVB expands upon Beach Ball's mission by creating synergy between the skills and experiences of those within the Beach Ball network with local needs of the tidewater area to actively give back to the community year round.

Today, Beach Ball has become a highly anticipated staple hosted by a committee of local young professionals, dubbed "Beach Ballers," who have two things in common: an undying love for the beach town they grew up in and a strong sense of duty to give back to it. We hope the annual Beach Ball continues to be the event of the season, combining fun with philanthropy. Our committee looks forward to supporting, fundraising, and spreading word for the countless charities that work to make this world a better place - right here in our own backyard, Virginia Beach.

The Cause

riseVB's fifth annual Beach Ball will benefit Cancer Care Foundation of Tidewater (CCFoT), a local nonprofit organization committed to supporting the emotional, practical and non-medical needs of cancer patients and their caregivers in the Greater Tidewater community.

Moved by CCFoT's mission to Fight Cancer with Kindness and motivated by the Ballers' personal ties to breast cancer, riseVB is excited to dedicate year five to raising awareness and fighting against the disease.
